BEHAVIOUR MANAGEMENT (DISCIPLINE)

Discipline is non-negotiable but focuses on positive reinforcement, redirection, and restorative practices for young children. We use a Traffic Light System (Green: Praise; Yellow: Warning; Red: Reflection) to build self-regulation and empathy. No corporal punishment; emphasis on teaching right from wrong

Offense	Correctional Measure	Rationale & Follow-Up
Biting/Hitting/Pushing (Common in early years)	Time-Out (1 min per year of age in calm corner); discuss feelings (e.g., "Hands are for helping").	Builds empathy; repeated: Parent meeting to discuss triggers.
Tantrums/Refusal to Follow Instructions	Redirection to a positive activity; loss of short "Golden Time" (free play). Encourage verbal expression.	Promotes self-control; model calm responses.
Improper Grooming/Unkempt Appearance	Note home for immediate correction; assist child if needed (e.g., tidy hair). Repeat: Parent conference.	Ensures hygiene and safety.
Bringing Toys or Unauthorized Items from Home	Confiscation; return to parent at pick-up with explanation.	Prevents distractions and sharing conflicts.
Using Bad Language or Unkind Words	Gentle reminder; model positive words (e.g., "We use kind words"). Parent discussion if persistent.	Fosters respect; integrate into circle time stories.
Damaging Property (e.g., Toys, Walls)	Safe clean-up assistance (e.g., wiping with supervision); parent billed for repairs if intentional.	Teaches responsibility; discuss consequences.
Late Arrival/No ID Card	Gate delay or return home; chronic issues: Fees and meeting.	Ensures security and routine.

Severe or repeated behaviours (e.g., endangering others) involve immediate parent summon and potential probation. We promote inclusion, kindness, and anti-bullying through daily routines and stories.
